Palani, Dindigul - Tamil Nadu

### Professional Summary

Motivated and detail-oriented Web Developer with a strong foundation in HTML, CSS, Bootstrap, JavaScript, and React.js. Proficient in creating responsive and visually appealing web applications with a focus on user experience and performance. Eager to apply my skills in front-end development and collaborate in a dynamic team environment. Passionate about continuous learning and staying updated with the latest web development trends. Ready to contribute to impactful projects and grow as a developer in a professional setting.

### Skills

- Frontend Development - HTML5, CSS, BOOTSTRAP, JAVASCRIPT, REACT JS
- Backend Development - PYTHON, DJANGO
- Database Management - MYSQL
- Source Code Management Tool - GITHUB
- **Soft Skills** – Adaptability, Good Communication, Problem Solving

### Internships/Experience

**Internship** 09/2024 – Present **ETHER INFOTECH** **Coimbatore**

- I have completed 6 months of internship training at **Ether Infotech** Coimbatore.
- I have completed a Python Full Stack course covering front-end technologies (HTML, CSS, Bootstrap, JavaScript, React), back-end (Python, Django), and databases (SQL). I have also worked on real-time projects, gaining hands-on experience in developing full-stack web applications.

### Projects

- **E-Commerce Website:**
  - This e-commerce website is a simple yet effective platform designed to provide a seamless shopping experience for users while using front-end technologies like HTML, CSS, JavaScript, and Bootstrap. The website allows users to browse products and proceed to a basic checkout process all built with responsive and mobile-friendly design principles.
- **Gym Management System:**
  - The Gym Management System is a web-based application designed to manage various aspects of a gym's operations, including member registration, membership management, class scheduling, attendance tracking and payment processing. Built using Python and Django, the system provides a user-friendly interface for both gym staff and members, helping streamline gym operations and enhance user experience.

### Education

- **Bachelor of Engineering** **RVS College of Engineering and Technology** **Coimbatore**
